

Last camp in "De Glind" invitation for 16 -21 October 2021

Wee Kee Jin

Due to the Corona crisis Jin will not travel to Europe this year. Next year Jin most likely will come only once a year to Europe for a month long camp and this will probably take place in Germany.

YMCA De Glind

As you may have heard YMCA De Glind is bankrupt and has left the building. The property will be torn down in probably two years time. However the Rudolf Association is willing to rent out the venue to organizers like me whenever the rooms are not occupied by a school of children. This will be 16 – 21 October 2021.

Camp

There will be a last six day long camp in De Glind just to remember the nice times we have had. This will be without Wee Kee Jin but with Hella Ebel, Roland von Loefen and me.

Morning training will be walking the hand forms in three groups. Hella Ebel will guide the long form, Roland the CMC form and Epi the Huang form.

The first afternoon training will be weapon forms

Spear form and sword form by **Hella**.

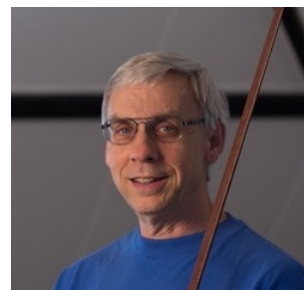

Staff solo + partner by **Epi**

Saber form by **Roland**.

The second hour in the afternoon will be a few or all 18 pushing hands patterns if the pandemic rules allow us to do tui shou.

The evening class will be exchange of the lessons learned within the Yang style of Huang Sheng Shyan. We have seen that the students of Huang like Patrick Kelly, Yek Singh Ong and Toni Ward, all had a different approach and understanding of what Huang had to offer. The same is true of students of Wee Kee Jin so it might be very interesting to hear and train what long standing students have learned and how they train in an open atmosphere. Hella, Roland and me will explain their thoughts and training ideas.

Last evening there will be a forum with the possibility of asking questions and afterwards we can have a party with the projection of clips from the past of the teaching of Patrick and Jin but also the plays we did on the "bonte avond"

Camp in “De Glind”

Tuesday the 16th of October till Sunday the 21th of October 2021.

Camp starts at 10.30 on **Tuesday** and ends at 16.30 on Sunday.

Camp is open for regular students who have attended camps with Wee Kee Jin in the past.

Students who want to do only a part of the camp should contact the organizer first.

If you want to train for a certain number of days and you order a room you pay for that same number of days so 3 days training means 3 days room rent.

De Glind is a very small village between Amersfoort and Barneveld in the centre of Holland.

Participants who do not stay at “De Glind” pay 15,00 euro a day (80 euro for the whole period) for the use of the hall, toilets + coffee, tea and biscuits. Reason for this is that the rent of the hall is included in the price of the bedrooms. So no bedroom then there will be an additional charge for the use of the hall.

The only meals option (no room) costs 45,00 euro a day (which includes the rent of the hall).

Meals

Diet wishes like vegetarian, vegan or gluten free are possible and are taken seriously in the sense that the cook prepares a special meal.

This also means that if you order a diet you are supposed to only eat that diet!!!

Registration

Registration is valid by returning the form (send to you in a separate email) and a transfer of at least 100 euro.

After registration you will receive a confirmation and a route plan for public transportation.

For the reduced price the full amount has to be transferred before August 17th (except for the registration for less than 6 days).

Subscribing for less than 6 days is possible only if there is still place in the camp so you will receive a confirmation after August 17th.

If you show up without registration you could be refused entrance if there are 30 participants in the room also the day price will rise from 80 to 90 euro.

Canceling the workshop before August 17th will mean that 50 euro will not be refunded.

Canceling the workshop after August 17th will mean that 100 euro will not be refunded.

Canceling the workshop after October 9th will mean that the whole amount will not be refunded unless there is a calamity within the family or when you get ill with Covid 19.
